## IEC OF OREGON MEMBER BENEFITS

**CNA** offers worker's comp, auto, property, and general liability insurance coverage to IEC members. It also offers high-quality claim administration services and risk control expertise that can help reduce injury and property damage. To find out more about CNA, call your local independent agent or visit [www.cna.com](http://www.cna.com).

**ConsensusDocs** has been the only standard contract written by a 40+ coalition of leading design and construction associations representing owners, contractors, subcontractors, sureties and design professionals. ConsensusDocs' 100+ standard contracts incorporate fair risk allocation and soundest practices to represent the project's best interests. IEC members receive a 20% discount. Go to the IECI national website under member benefits to learn more.

**Enterprise Fleet Management** provides customized fleet services and solutions to companies in a wide range of industries operating medium-sized fleets of 20 or more vehicles. Enterprise provides a comprehensive approach to fleet management and helps IEC members streamline their fleet, improve cash flow and optimize operations. From acquisition and risk management to maintenance and remarketing, Enterprise Fleet Management provides quick, easy and personal access to a local account team who will handle all of their day-to-day fleet needs. For more information, go to [www.efleets.com](http://www.efleets.com) or contact Joe Stergios [joseph.stergios@efleets.com](mailto:joseph.stergios@efleets.com).

**Fleetmatics** helps IEC members improve productivity, reduce operating and capital costs and increase the revenue derived from their mobile workforces. Its GPS-based fleet management solutions extract business intelligence from real-time and historical vehicle and driver behavioral data and deliver it to decision-makers in a software-as-a-service model, allowing users to focus on driving real business value rather than maintaining the tools. The company's intuitive, cost-effective, web-based solutions provide fleet operators with visibility into data such as vehicle location, fuel usage, speed and mileage, and other insights into their mobile workforce. Discover why more than 19,000 customers with more than 388,000 actively subscribed vehicles world-wide rely on Fleetmatics by visiting [www.fleetmatics.com/iec](http://www.fleetmatics.com/iec).
