HOW TO APPLY

1 Gather the Required Documentation

- **Diploma or GED**: Proof of a high school diploma, GED, or Associate Degree or higher from an accredited educational institution.
- **Algebra or Placement Test:** (one of the following)
  - Completion of one year of high school algebra, Integrated Math II, or equivalent with a grade of "C" or higher.
  - GED (2014 or newer) math score of 150 or higher.
  - Math placement test scores placing you into the second term of college algebra or higher
  - NCRC WorkKeys Applied Math score of 5 or higher.
- **National Career Readiness Certificate WorkKeys Assessment Scores**
  - Assessment tests can be scheduled through Clackamas Community College (Wilsonville campus) or Chemeketa Community College. Cost will range from $40 - $50.
- **Optional documentation** for additional points: Driver's license, CPR Certification, DD-214, or registered Pre-Apprenticeship completion certificate.

2 Complete Application, Upload Documentation and Submit

- Online application link: iecoregon.org/apprenticeship/limited-energy-application/
- Required documentation must be uploaded for application submittal.

3 Complete an Online Recorded Interview

- An interview link will be emailed to applicants upon verification of Steps 1 and 2.

4 Attend a Mandatory Orientation Meeting

- There will be a monthly mandatory orientation via Zoom. Applicants who have completed Steps 1 - 3 will be emailed a zoom link on the Friday prior to the meeting.

5 Scoring and Placement

- Applications will be scored after Steps 1-4 are completed. Scores are based on submitted documentation, WorkKeys assessment scores, and interview scores.
- Applicants are placed into hiring groups depending on their score. Opportunities will be provided to increase application scores if needed for better placement. Placement notification will be sent via email.

6 Program Registration

- Applicants will become registered apprentices after obtaining an employment offer from a registered training company and completing the registration paperwork. IEC Oregon staff are unable to estimate or guarantee program registration.
