AREA VII ELECTRICAL APPRENTICESHIP PROGRAM

WHAT PROGRAM DOES AREA VII OFFER?

4 YEAR - INSIDE ELECTRICAL PROGRAM

This program is designed to give students the experience and training necessary to become licensed electricians. It is a combination of classroom instruction and supervised work experience with approved training agents.

BENEFITS OF APPRENTICESHIP

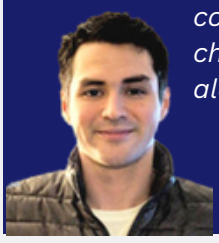
- Paid employment during training
- Credit towards an associate degree
- Practical, hands-on learning experience
- Development of marketable skills
- Pathway to a secure career
- Background to become a lead person, foreman, or supervisor

HOW MUCH CAN I EARN?

Apprentices begin at 45% of the average salary of journey workers and receive pay increases as they progress through the program.

Entry Level Apprentices earn:
$22.50 per hour minimum

Journey Workers earn $50+ per hour!



"The apprenticeship program has given me an opportunity to grow as a person: my confidence, my knowledge, skills and character. I have met some incredible people along the way."

Jayce | Third Year Apprentice

AREA VII ELECTRICAL APPRENTICESHIP

INSIDE ELECTRICAL PROGRAM INFORMATION

4 YEAR INSIDE ELECTRICAL PROGRAM
8,000 ON-THE0-JOB HOURS
600 CLASSROOM HOURS
7 PAY RAISE OPPORTUNITIES

Inside electricians can complete work on residential, commercial, and industrial job sites. This includes new electrical installations, installing conduit, wiring lighting, switches, converters, and complex computerized systems, maintaining, and repairing large motors, inspecting circuit breakers and transformers. This ranges from single-family homes to large state-of-the-art industrial operations.

[redacted]

WHAT WORKING CONDITIONS CAN I EXPECT?

Electricians perform work both indoors and out in a variety of weather conditions. The work involves standing, bending, crawling, lifting, climbing, pulling, reaching, cramped spaces and heights ranging up to 70+ feet.

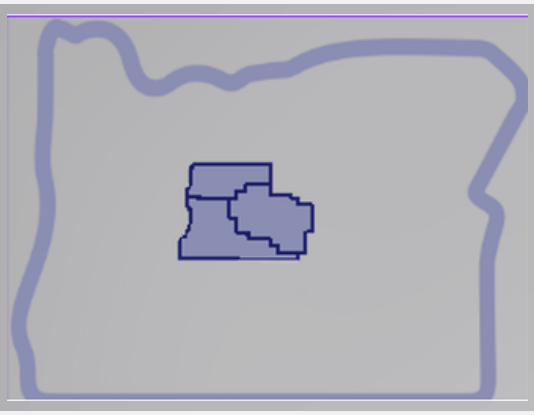
"The IEC apprenticeship program has given me a purpose. I am so proud to be a working woman in this trade because it is so challenging and rewarding."

Haley | First Year Apprentice

HOW DO I RECEIVED MY ON-THE-JOB TRAINING?

Apprentices work under the direct supervision of licensed electrical journey workers. As a registered apprentice, you will work for an employer who is approved by the inside electrical committee to be a training agent through the Bureau of Labor & Industries. Training agents have promised to provide on-the-job training and supervision according to approved industry standards.

AREA VII ELECTRICAL APPRENTICESHIP



WHERE ARE EMPLOYERS LOCATED?

Area VII employers have offices located in and around Crook, Deschutes, and Jefferson Counties, Oregon. However, you may be required to travel all over Oregon and to other states for work.

SCHOOL INFORMATION

- The related training tuition and books combine for a cost of approximately $2,000 per year. This cost is the responsibility of the apprentice although some employers do assist with expenses.
- Apprentices will complete their classroom instruction through a combination of in-person and online classes.
- There are 2 school start dates. The fall term begins in September and Late start begins in January.
- School is 2 evenings a week - Monday - Thursday (No school on Fridays)
- **You may not begin school until you are an apprentice with a registered training agent.**

What are the minimum qualifications for the program?

- Applicants must be at least 17 years of age to apply and at least 18 years of age to begin working as an apprentice.
- Applicants must have one of the following:
  - High School Diploma with at least a 2.0 GPA
  - GED Certificate (600 score for 2014 or newer, 2300 score between 2002 and 2014, or 230 score for 2001 or older.)
- Applicants must have completed one full year of high school algebra with a passing grade of "C" or better, in Algebra 1 or an equivalent, OR a college placement exam with a minimum level of Algebra II.

The Area VII Inside Electrical JATC shall not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 18 years or older. The Area VII Inside Electrical JATC shall take affirmative action to provide equal opportunity in apprenticeship and shall operate the apprenticeship program as required under this Plan and Title 29 CFR, part 30.

AREA VII ELECTRICAL APPRENTICESHIP
