

AREA IV ELECTRICAL APPRENTICESHIP PROGRAM

WHAT PROGRAM DOES AREA IV OFFER?

4 YEAR - INSIDE ELECTRICAL PROGRAM

This program is designed to give students the experience and training necessary to become licensed electricians. It is a combination of classroom instruction and supervised work experience with approved training agents.

BENEFITS OF APPRENTICESHIP

- Paid employment during training
- Credit towards an associate degree
- Practical, hands-on learning experience
- Development of marketable skills
- Pathway to a secure career
- Background to become a lead person, foreman, or supervisor

HOW MUCH CAN I EARN?

Apprentices begin at half of the average salary of journey workers and receive pay increases as they progress through the program.

Entry Level Apprentices earn:
\$15.82 per hour minimum

That's about \$82,243 per year!

"The apprenticeship program has given me an opportunity to grow as a person: my confidence, my knowledge, skills and character. I have met some incredible people along the way."

INSIDE ELECTRICAL PROGRAM INFORMATION

4 YEAR INSIDE ELECTRICAL PROGRAM
8,000 ON-THE-JOB HOURS
600 CLASSROOM HOURS
7 PAY RAISE OPPORTUNITIES

Inside electricians can complete work on residential, commercial, and industrial job sites. This includes new electrical installations, installing conduit, wiring lighting, switches, converters, and complex computerized systems, maintaining, and repairing large motors, inspecting circuit breakers and transformers. This ranges from single-family homes to large state-of-the-art industrial operations.

WHAT WORKING CONDITIONS CAN I EXPECT?

Electricians perform work both indoors and out in a variety of weather conditions. The work involves standing, bending, crawling, lifting, climbing, pulling, reaching, cramped spaces and heights ranging up to 160+ feet.

"The IEC apprenticeship program has given me a purpose. I am so proud to be a working woman in this trade because it is so challenging and rewarding."

Haley | First Year Apprentice

HOW DO I RECEIVED MY ON-THE-JOB TRAINING?

Apprentices work under the direct supervision of licensed electrical journey workers. As a registered apprentice, you will work for an employer who is approved by the inside electrical committee to be a training agent through the Bureau of Labor & Industries. Training agents have promised to provide on-the-job training and supervision according to approved industry standards.

WHERE ARE EMPLOYERS LOCATED?

Area IV employers have offices located in and around Douglas County, Oregon. However, you may be required to travel all over Oregon and to other states for work.

SCHOOL INFORMATION

- The related training tuition and books combine for a cost of approximately \$2,000 per year. This cost is the responsibility of the apprentice although some employers do assist with expenses.
- Apprentices will complete their classroom instruction online with in-person labs in Roseburg.
- There are 2 school start dates. The fall term begins in September and Late start begins in January.
- School is 2 evenings a week - Monday - Thursday (No school on Fridays)
- **You may not begin school until you are an apprentice with a registered training agent.**

I AM A VETERAN. IS THE APPLICATION PROCESS DIFFERENT FOR ME?

If you are a veteran and have been honorably discharged within the last 24 months or are in the reserves with a DD214, you will still need to complete the application process. However, you will have your name included on every list of applicants sent to training agents. This program also qualifies for education benefits. Please contact the apprenticeship department for more information.

I AM ALREADY WORKING FOR A REGISTERED TRAINING AGENT. CAN I BYPASS THIS PROCESS?

Certain training agents have been approved to sponsor individuals directly into this program. You must still meet the minimum program requirements and submit WorkKeys test scores. Inquire with your employer about whether they are approved as a sponsor with this apprenticeship program and contact the apprenticeship department for next steps if they are.

The area IV Inside Electrical JATC shall not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 18 years or older. The Area II Inside Electrical JATC shall take affirmative action to provide equal opportunity in apprenticeship and shall operate the apprenticeship program as required under this Plan and Title 29 CFR, part 30.
